

Send

Make email easy with campaign automation and a drag-and-drop builder

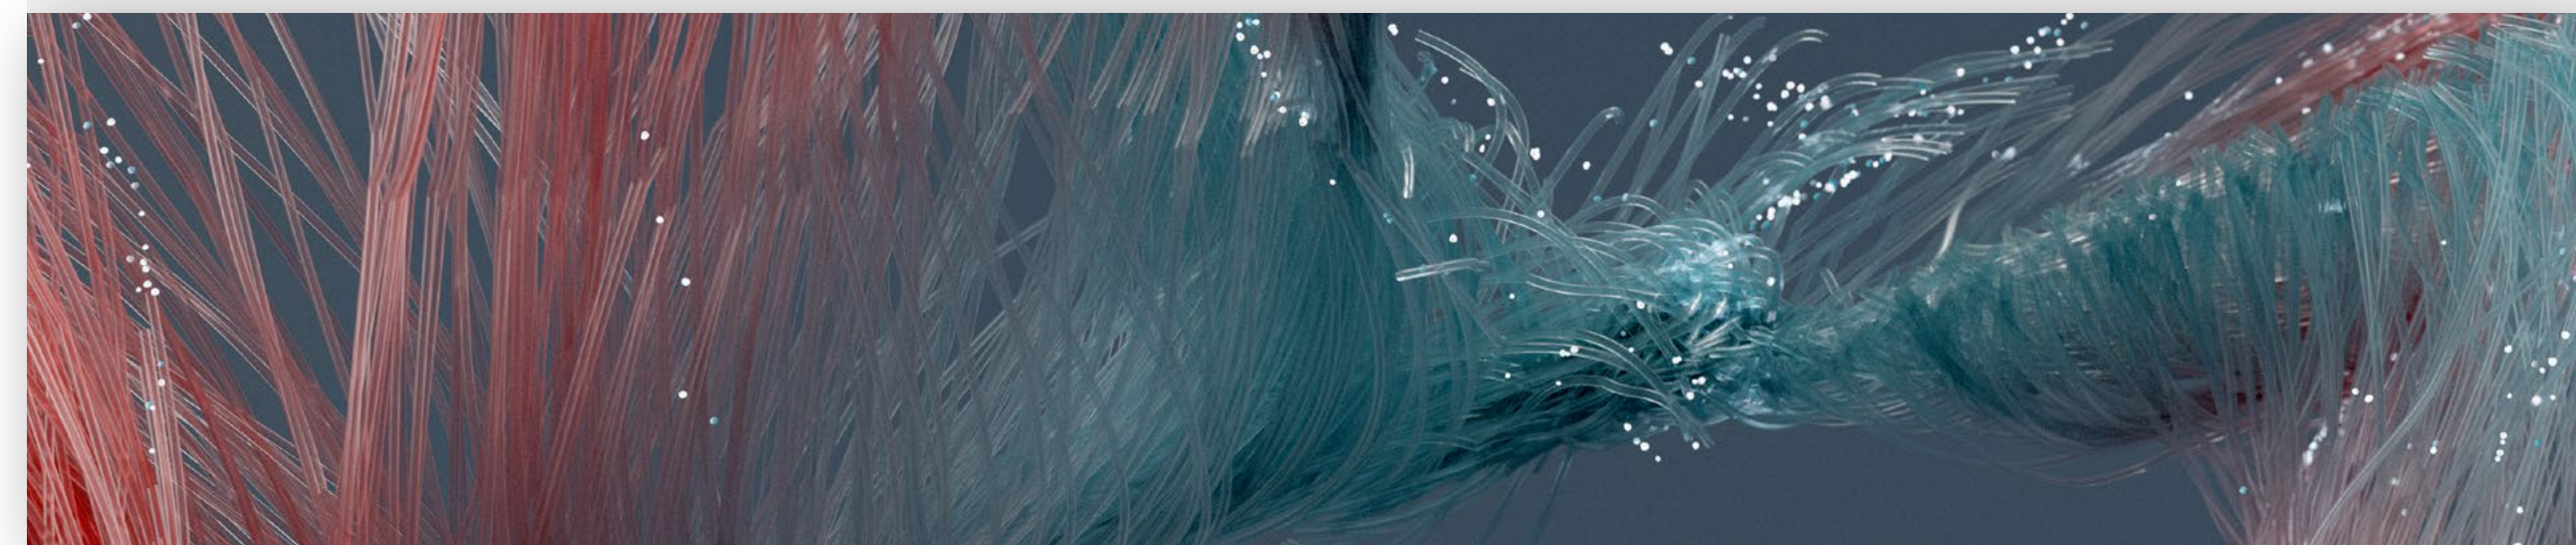

Speed. Relevance. Simplicity.

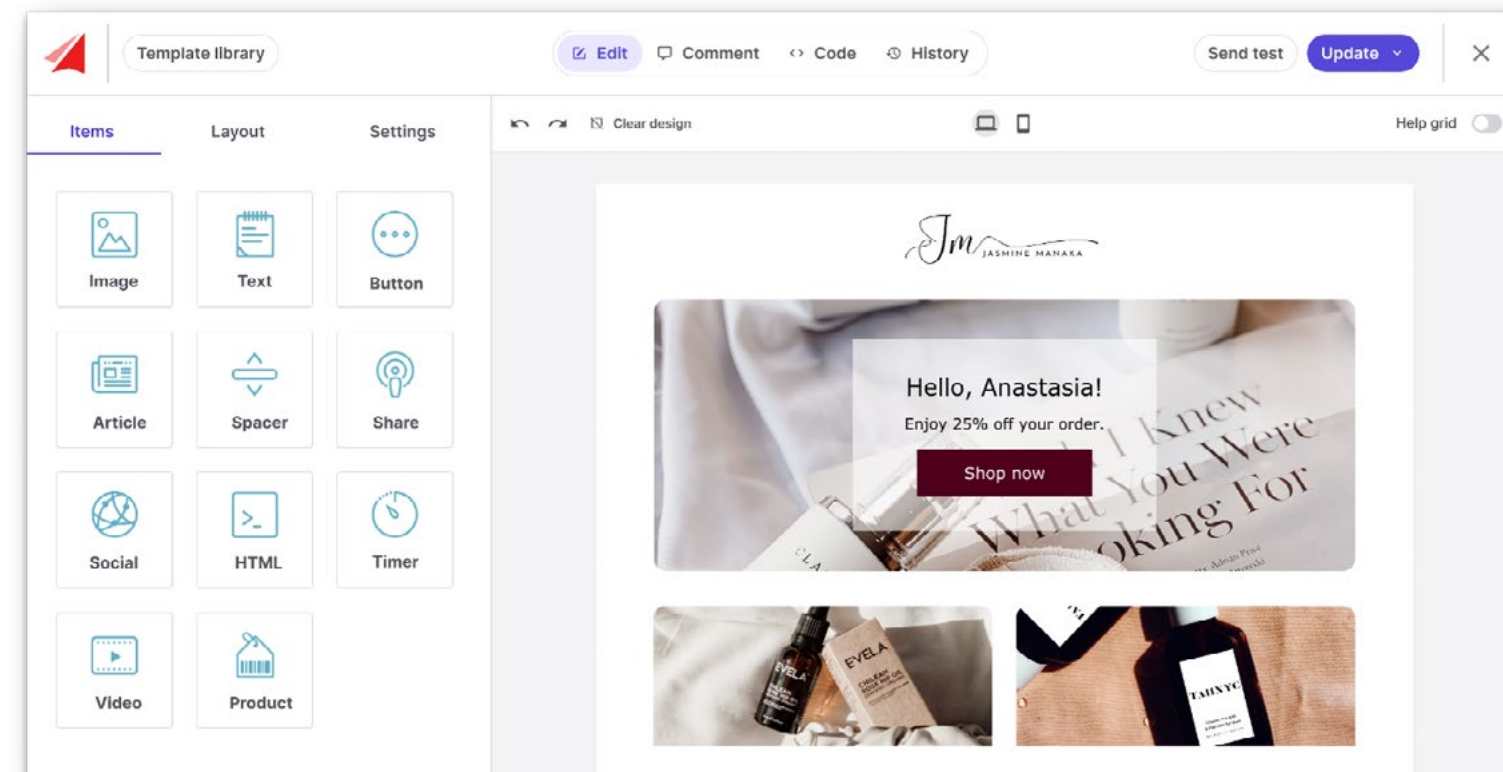

- **Email marketing automation**
Save time, effort, and resources with email marketing automation for any customer journey.
- **Personalization made simple**
Deliver relevance with precise segmentation, recommendations, and one-to-one messages.
- **Drag-and-drop simplicity**
Create pixel-perfect emails with a low-code/no-code editing experience.
- **Simple ecosystem integrations**
Easily integrate with any e-commerce platform, website, or CRM without developer support.
- **Customizable templates**
Convert more traffic with customizable forms and landing page templates for every scenario.
- **Powerful real-time analytics**
Optimize every email campaign with live data and advanced analytics.

“(Sitecore Send is) trusted by top brands like Ogilvy, Vogue, GQ, TEDx, Sephora, Dominos, and more.”
